

CodeTribe Academy

Learner Programme Guide

Schedules, Assessments, Attendance, Programme Rules & Support
Services

Introduction

This document provides a summarised guide of key learner-related information extracted from the CodeTribe Academy Contract. It focuses on schedules, assessments, attendance requirements, programme rules, and learner support services.

Programme Schedule

The programme runs from July 2025 to March 2026 and is divided into two phases: Phase 1 (Web Development) and Phase 2 (Mobile Application Development).

Attendance Requirements

Learners are required to attend training sessions Monday to Friday for approximately 8 hours per day. A minimum attendance rate of 90% is mandatory.

Assessments and Performance

Learners must submit at least 90% of all assignments and achieve a minimum score of 80% per assessment.

Programme Rules

All learners must adhere to the CodeTribe Academy Code of Conduct, maintain academic integrity, and use academy resources responsibly.

Learner Support Services

Support is provided through facilitators, programme coordinators, and access to training facilities to ensure successful programme completion.

Conclusion

Compliance with programme schedules, assessment criteria, attendance policies, and rules is essential for successful completion of the programme.
